

The Waste Watcher

Features:

- Internal bag hooks keep bag hidden and ensures a tidy look
- Space efficient design for deskside or high traffic areas
- Clearly marked lids and labels ensure a quality sort of recyclables and allows easy expansion of your recycling program
- Lids fit other "slim style" containers

Variety of Lids Available

Artwork Available or
Print Your Own

Easy Install Connector

Wall Hooks Make Cleaning
Underneath Easy

Keeps Bins Neat &
Organized

Wheel Kits Available

The Waste Watcher's attractive and space efficient design makes it excellent for high traffic areas. It fits neatly beside or under a desk and in tight spaces.

The internal bag hooks keep your bag hidden inside looking nice and tidy, and the swivel hook design prevents the bag from tearing. With many lid options, this container is extremely versatile.

Connector and Sign Kits are also available for the Waste Watcher Series. These kits help to form a complete centralized recycling or waste station.
